

## ***BOTANICAL INTEREST SEEDS***

on-line at: <http://theherbcottage.com/seeds.html>

Here at The Herb Cottage, we are proud to carry seeds from Botanical Interests. Following is what Botanical Interests says about their seeds.

*"At Botanical Interests our goal is to have a unique product. Our seed packets contain only superior quality seed (our standards are more strict than national standards). The germination rate of every variety is tested before we package it. And, every packet comes with our unconditional guarantee."*

*Our packaging merges art, gardening and science-inspiring your customers and giving them the tools to become better gardeners.*
